

STUDENT RESOURCES FOR CPR CERTIFICATION (Healthcare Provider is the required card)

Effective Spring 2010 we will not accept any other CPR Card than the Healthcare Provider one. Please verify with the agency that you go through for the class to ensure that you are getting the right card. You will be asked to get the correct card if it is not.

American Heart Association Classes

For class and registration, information for Basic and advance life support classes Healthcare Provider (Adult, Child, Infant and AED, new and renewal) please go online to:

www.heart.org

Then select "Classes and Event: on the left. Then do a search under CPR and related ACLS, NRP, Healthcare Provider CPR.

From the list select the type of class you want. Schedule, cost and registration information is provided or request a phone call back.

Grossmont-Cuyamaca Community College Community Learning program

For class and registration information and classes offered, see:

www.cuyamaca.edu/Preview

Then select under Non-Credit classes Health and Safety

Not all the AHA classes are offered, but the BLS – Healthcare Provider is the one you want to schedule.
