

## FOOD SERVICE ADVISORY COMMITTEE

January 8, 2013, 3 – 4 p.m.  
Griffin Gate (A)

### Meeting Summary

Attended: P. Benge, L. Gibson, T. Flood, K. Sents

Recorder: Patty Sparks

Meeting Commenced: 3 p.m.

#### **1. Implementation Plan to move food services (Coffee Kiosk) to trailer**

Tim stated that the tentative plan is to move the Coffee Kiosk/food services to the trailer in the 500 quad. The goal is to have services up by flex week with a hard opening the first week of classes, January 28. Lisa indicated there are some obstacles to overcome to make this move happen. She further stated this move is best for employees as they will not be subject to inclement weather. In addition there will be more food choices available at the new location, both hot and cold options. Further, some of the furniture/equipment from the move will be added to Café 200 – giving the area more storage.

#### **2. Location Change of Coffee Kiosk**

Tim reported that the Coffee Kiosk will be relocated to the 500 Quad as part of the Meditation Garden area. The Kiosk will have water and utilities as well as a structure for inclement weather. Tim utilized the overhead projector to show the Committee the location and the design of the Meditation Garden as well as the design of the Kiosk. The goal is to have the Meditation Garden project to go to the Governing Board in November and further anticipates the work being done over winter break and into the semester for approximately two months.

#### **3. Issues or items from the floor**

#### **4. Other:**

Kathy asked how often Café 200 is restocked.

Next meeting date: December 11, 2 – 4 p.m., Distance Learning Room – Lower LTRC
