In addition to making it more accessible to students, blurbs in the online schedule can also be searched. Please update.</li> <li>● <b>Make sure names on offices are updated.</b></li> <li>● Why not have a <b><u>Welcome Sign</u></b> in front of the school?</li> </ul> <p>Denise Schulmeyer – Just a reminder, Friday, Sept 21 in Griffin gate we are holding 4 workshops for assessments( Faculty, Chairs and Deans, Student Services and Classified Staff. 		<p>with Faculty, Classified, and President Cabinet and some consultant members.</p> <p>We started this reorg because there was internal dissatisfaction that many of the committees were doing work that did not have committees to report into. Things were not getting done, and many people were unclear of roles and responsibilities.</p> <p>This can move us forward in serving students, as well as recapture time, energy, and creativity.</p> <p>Slide shown with Participatory governance overview. Showed current structure of our governance. We did not eliminate 56 committees. We are streamlining our focus into the 7 committees. Split them into Operational and Participatory Governance.</p> <p>See Powerpoint for details - attached.</p>
