Look Inside

Welcome to Grossmont College!

A message from the president

W

elcome to Grossmont College! Thank you for investing in yourself and your educational future by enrolling in a summer session course. I say “investing” because I and others on campus know you are trading valuable time to invest in your future.

At Grossmont College, our vision is to “transform lives through education” and we want to provide you with every opportunity to succeed. Whether you’re just with us for a single class this summer, majoring in a certificate or degree program, or hope to transfer to a four-year university, we are committed to your success. Please help us help you by taking advantage of free tutoring, mental health services, financial aid,

counseling and other services available in Bldgs. 10, 60 and 70.

As you can see, we have two major construction projects underway, with both to open later this year. Just as you benefit from the patience of our alumni during past construction, so too will future students benefit from your patience now. Thank you in advance for your understanding as we continue to improve our campus.

Again, I am excited to have you join us this summer – your commitment to your future is an inspiration to our faculty and staff. Thanks again for joining us.

Nabil Abu-Ghazaleh

HEALTH FEE

The Health Services Office provides services to all enrolled students who have paid the Health Fee or have received a financially determined waiver for the Health Fee. Students whom depend exclusively upon prayer for healing according to the teaching of a bona fide religious sect, denomination or organization may petition for an exemption from the payment of the Health Fee.

The mandatory health fee provides accident insurance for the protection of any student who may experience an injury while participating in a college sponsored credit or non-credit class, or other activity. The sponsored class or activity must be during a directly supervised, on-campus or school-related activity. The supervision of the sponsored class or activity must be by a member of the college staff at a college approved co-curricular activity or event. Insurance deductibles range from \$50 to \$100. Student Insurance is secondary to any group, blanket franchise, group practice, individual practice or other pre-payment coverage; the claim must be filed with primary insurance first. Health Services information, accident/illness report forms and insurance claim forms and referrals for care can be obtained in Health Service, Building 60 – Room 130 (Inside Griffin Center) or by calling 619 644-7192 or the Health Services website www.grossmont.edu/health-services/.

Note: Students whom depend exclusively upon prayer for healing according to the teaching of a bona fide religious sect, denomination or organization may petition for an exemption from the health fee by submitting a written request to the Office of Student Affairs. Waiver forms may be obtained in Admissions and Records, Student Affairs Office and Student Health Services. Requests for exemptions will be reviewed by the Dean of Admissions and Records and the Dean of Student Affairs.

ALERT!

You are responsible for all appropriate fees. You may be dropped from courses for non-payment of fees.

FEE WAIVERS AND FEE EXEMPTIONS

The California College Promise Grant (formerly called the Board of Governors Fee Waiver) helps low income students pay the enrollment fee and the parking fee in excess of \$20.00. This aid does not have to be repaid. Eligibility requirements are available at www.grossmont.edu/fa/feewaivers or in the Financial Aid Office.

You must submit your FAFSA (Free Application for Federal Student Aid), California Dream Act application or the California College Promise Grant application every award year to be considered for this program. You must also make satisfactory academic progress as outlined in the College catalog and be approved by the Financial Aid Office.

STUDENT REPRESENTATION FEE

A \$1 fee per semester is collected to provide funds for the support of governmental affairs representatives who are students, staff and faculty for stating their positions and viewpoints before city, county and district governments, and before offices and agencies of the state government. The Associated Students of Grossmont College is the sponsoring campus entity.

STUDENT REPRESENTATION FEE WAIVER

A student may, for religious, political, financial or moral reasons, choose not to pay the Student Representation Fee by directly contacting the Office of Student Affairs by calling (619) 644-7600. The fee waiver request must be obtained and submitted before the final drop deadline for the current semester to the Cashier's Office to be processed. (See calendar inside front cover.)

REFUND INFORMATION

Refunds made by, check, ACH or the payment plan can be processed after two weeks from the day received. Cash refunds will be refunded by the limit set by the College Cashier. You must have a valid government ID in order to receive a cash refund. Districtwide refunds will be processed throughout the semester. Credit card refunds will be credited back to the credit card account or, if you paid by cash or check, a check will be mailed to the student. Don't want to wait for a check in the mail? STUDENT LOAD

The maximum number of units in which you may enroll is 8. Overloads must be approved by a counselor. Overload requests can be made beginning the first day of classes and require a valid add code. Requests for excessive overloads will require an appointment with the Dean of Counseling. A copy of all college transcripts will be reviewed prior to the appointment.

IMPORTANT COURSE REPETITION CHANGES

The California Community College Board of Governors recently passed revisions to Title 5 regarding course repetition that will take effect during the 2012 summer semester. Students will only be allowed to enroll in a course three times if they received a substandard grade (D, F, NP or NC) or withdrew from the class with a "W." Students with extenuating circumstances may seek approval to enroll in a course for the fourth time through the petition process. These changes do not contain a grandfather clause so any student that has already taken a course the maximum number of times will no longer be able to take the same class within the Grossmont-Cuyamaca Community College District.

GRADES

When grades are given for any course of instruction taught in a community college district, the grade given to each student shall be the grade determined by the instructor of the course, and the determination of the student's grade by the instructor in the absence of mistakes, fraud, bad faith or incompetency, shall be final. (Section 76224a California Education Code.)

Grades will be available through **WebAdvisor** at www.grossmont.edu.

CLASS ATTENDANCE

It is important to attend the first meeting of all classes. If students are unable to do so, the instructor should be notified. Failure to attend the first class may result in the student being dropped from the class.

Regular attendance is expected of every student. A student may be dropped from class due to poor attendance when, in the judgement of the instructor, the student cannot benefit from further instruction. The student who has been absent due to illness or medical treatment should inform the instructor as to the cause of absence.

HOW DO I CHANGE MY CLASSES

Adds and drops can be processed through **WebAdvisor** (www.grossmont.edu) during the following hours *AFTER* your assigned registration time.

Monday - Saturday 7:00 a.m. - 10:00 p.m.

Not available on holidays—see Summer 2019 calendar—inside front cover.

STEPS TO ADD CLASS(ES):

- If the class is open, you may add through **WebAdvisor** up to the first day the class meets.
- Once the class begins obtain “add code / authorization code” from the instructor and register through WebAdvisor.
- Once your “add code / authorization code” expires, you must obtain the instructor’s signature on a Program Change Card and go to the Admissions Office.

Students who are not officially enrolled will not be allowed to attend class.

STEPS TO DROP CLASS(ES)

Classes can be dropped through **WebAdvisor** (www.grossmont.edu) prior to the drop deadline for your class.

It is the student’s responsibility to officially drop courses they are no longer attending. If a course is not officially dropped, you may receive an “F” for the course.

CHANGES AFTER CLASSES BEGIN

THE “ADD CODE/AUTHORIZATION CODE” PROCESS

You may add open classes the first week of school by obtaining an Add Code/ Authorization Code from the instructor. With this Add Code/ Authorization Code you may register using **WebAdvisor** www.grossmont.edu.

The last day to use the ADD CODE/AUTHORIZATION CODE will vary by class. You must add the class by the “USE BY” date printed on the ADD CODE/ AUTHORIZATION CODE label. Once the ADD CODE/ AUTHORIZATION CODE has expired, you must get the instructor’s signature on an Add/Drop card.

The ADD CODE/ AUTHORIZATION CODE is for your use only. If you share this code with someone who uses it first, you will not be permitted to enroll in the class unless the instructor assigns another ADD CODE/ AUTHORIZATION CODE to you.

This code will not override course prerequisites! You will not be permitted to add the class until course prerequisites are cleared at the Counseling Center.

You will need to provide the ADD CODE/ AUTHORIZATION CODE when you use WebAdvisor. Once the ADD CODE/ AUTHORIZATION CODE is entered, the class should be added.

Payment for added classes is expected at time of registration.

A Class and Fee Statement will NOT be mailed. You may print a list of your classes on **WebAdvisor** (use the “View/Print Schedule” link).

Please refer below for the multiple ways in which a student can receive English and math placement:

HIGH SCHOOL GPA

The State of California has passed a new law (AB705) which provides students access to complete transfer level courses in English and math in one year. High school GPA will be the primary factor in determining placement. An online questionnaire will be available to provide placement for English and math classes.

Beginning on March, 1, 2019, please access the online guided self-placement questionnaire by following the directions listed below:

Log into WebAdvisor

Click on “Students”

Under Orientation/Assess/Advising,

Click “**Step 2-Assessment/Placement Questionnaire**”

COURSE FROM ANOTHER COLLEGE

If an English or math class has been completed from another college or university within the United States, students can submit the appropriate documentation through the prerequisite clearance [online form](#) for possible English and math placement.

ADVANCED PLACEMENT (AP) EXAM

If an AP exam has been passed with a score of 3 or higher in the following classes: English Language and Composition, English Literature and Composition, Calculus AB or BC, or Statistics, students can submit the appropriate documentation through the prerequisite clearance [online form](#) for possible English and math placement.

Please refer to the following document for a complete list of options for English and math placement: [Placement Options](#).

ESL PLACEMENT

Students planning to take English as a Second Language (ESL) classes will take Grossmont College’s ESL Assessment to determine the most appropriate starting level. To make an appointment for the ESL Assessment or to ask any questions, please call the Assessment Center at (619) 644-7200 or visit our front desk in Building 10 at Grossmont College

WORLD LANGUAGE AND CHEMISTRY 141 TESTS

These tests are available to take once a semester for students who are not currently enrolled into a World Language course. A chemistry test for placement into Chemistry 141 is also available for students to take. This test can only be taken once and will not be available to students who have already enrolled into Chemistry 120.

INSTITUTIONAL ESL ASSESSMENT FOR INTERNATIONAL STUDENTS

Grossmont College offers an Institutional ESL Assessment. The minimum placement score is ESL 103 for admission purposes. The ESL placement score is valid for one year and ESL Assessment can be taken once per application period. For more information, test dates, and to register, please click here: [Institutional ESL Assessment Registration Form](#). Please register early to save your space. Results will be available within 3-4 business days. This is a free ESL assessment.

INTERNATIONAL STUDENT PROGRAM

International students who have received an I-20 form from Grossmont College Admissions Office and have F-1 status are expected to meet the assessment, orientation and registration requirements in their admission letter.

All International F-1 visa students must be full-time (12 units minimum each fall and spring semester) and maintain a minimum grade point average (GPA) of 2.0 to remain in status with Immigration.

AUDITING PROCEDURES

Audit enrollment will not be permitted until students have completed the allowable number of repeats in practice or performance courses. Priority class enrollments are given to students desiring to take the course for credit. No student will be permitted to enroll for audit purposes until Monday of the third week of instruction.

Audit enrollment will be based on "seats available" and will not be used to count toward minimum enrollment requirements. If a class closes after an auditor has been admitted, the auditor may be asked to leave to make room for the credit students. Instructor discretion is strongly recommended.

Permission to audit a class is done at the discretion of the instructor and with the instructor's signed permission. Appropriate forms and procedures are available in the Admissions and Records Office.

No credit will be received for auditing a course. The college will not maintain any attendance or academic records for a student that audits a course.

LOWER DIVISION COURSE EQUIVALENCIES FOR UC, CSU and Independent/Private Universities and Colleges

Students who are interested in satisfying certain lower division course requirements in the major or in general education can complete equivalent courses at Grossmont College. In addition to articulated equivalent courses, it is important to know that the vast majority of courses completed at Grossmont College transfer as fulfilling requirements for majors or as elective units. For additional assistance, visit the Grossmont College Articulation web site: www.grossmont.edu/articulation.

All official articulation for the CSU (California State University) and UC (University of California) systems is available at www.assist.org. This site is readily available via the Grossmont College Articulation Web Site.

It is important to use these tools along with the assistance from counselors at Grossmont College.

ZERO TEXTBOOK COST

Zero Textbook Cost sections, designated as "ZTC" in the class schedule, do not require students to purchase a textbook. These sections may have recommended (but not required) books, or may use free, openly licensed teaching and learning resources, such as Open Educational Resources (OER). ZTC sections may have a material fee such as lab supplies, calculator, test forms, etc. but no conventional textbook fees.

OPEN EDUCATIONAL RESOURCES (OER)

Open Educational Resources (OER) are teaching, learning, and research resources that reside in the public domain or have been released under an open license. OER are legally available and free of cost to students. Class sections using OER with no textbook costs are designated as "ZTC" in the class schedule.

Please check to see if your class has a prerequisite. Prerequisites must be cleared prior to enrollment. Plan ahead and take care of this as early as possible to avoid waiting in long lines and possible delays to your enrollment in important classes.

Prerequisites **ARE NOT** cleared automatically.
Requests to clear any prerequisite **MUST be initiated by the student.**

Please visit the prerequisite clearance website at www.grossmont.edu/assessment/prerequisite and navigate to the appropriate department(s) for instructions on how to clear a specific course prerequisite. Required prerequisites are posted in the college catalog and available online.
