

Summer 2019 – OER/ZTC Sections

Acronyms

- **OER:** Open Educational Resources (or free textbook alternatives)
- **ZTC:** Zero Textbook Cost

The college strives to ensure that the ZTC designations are accurate; however, under some circumstances, faculty may have to adjust selection of instructional materials and this can affect course material costs. It may also be necessary to change instructors. Replacement faculty have academic freedom to choose instructional materials regardless of costs and are not obligated to use free course materials selected by an instructor previously assigned to the class.

The following is a list of Summer 2019 course offerings that do not require a textbook purchase:
