Accommodations in the Classroom: What ASL Interpreters Wished Instructors Knew

Where: Grossmont College, room 36-355
Calendar: 2018-2019 Professional Development Calendar
Created by: rochelle.weiser@gcccd.edu
Description:
Presenters: Denise Robertson Come meet an informal panel of Grossmont College
American Sign Language (ASL) interpreters with many years of experience working in the post-secondary classroom environment. These nationally certified staff members have a wealth of knowledge interpreting at colleges and universities across the county. There will be a short presentation by the Accessibility Resource Center (A.R.C.) Interpreter Coordinator highlighting interpreting challenges in the post-secondary environment, and what interpreters wished instructors knew when teaching Deaf or hard-of-hearing students (D/HOH). A guided Question & Answer Session will be throughout to allow optimal interaction between faculty, campus staff, and with the interpreting staff. Bring your curiosity and any burning questions about American Sign Language, D/HOH students, and how best to engage D/HOH students in the learning environment, while working with an interpreter. Take home some new ASL signs too! **Eligible for 1.5 hours flex credit**

12:30pm - 1:50pm   Exploring Open Educational Resources

Where: Grossmont College, room 36-354
Calendar: 2018-2019 Professional Development Calendar
Created by: rochelle.weiser@gcccd.edu
Description:
Presenters: Lara Braff & Dave Dillon- The aim of this workshop is to introduce instructors to OpenEducational Resources (OER) and Zero Textbook Cost (ZTC) options, which are teaching/learning resources that are free of charge. Thedevelopment of OER/ZTC is a response to increasing textbook costs thathave created significant barriers to student success and equity. Wewill discuss the differences between OER and ZTC; the benefits andchallenges of using them; and how to find, adopt, and/or adapt them. Afaculty panel, comprised of instructors from several disciplines, willshare their experiences transitioning from conventional textbooks toOER/ZTC, address common misconceptions about OER/ZTC, and answerquestions from attendees.- In addition, we will close the session with a discussion ofGrossmont-specific initiatives on OER/ZTC (including the CCCCO's ZTCImplementation Grant that we received in Spring 2018), and statewideefforts (including the work of the ASCCC-OER Taskforce, chaired by DaveDillon).- We encourage instructors who would like to learn more about OER/ZTC,as well as those who have already adopted them, to attend this session.**Eligible for 1.5 hour flex credit**

2018-2019 Professional Development Calendar

1pm - 2:20pm   Six Ways to Include the Library in your Canvas Course

Where: Grossmont College, room 70-267
Calendar: 2018-2019 Professional Development Calendar
Created by: rochelle.weiser@gcccd.edu
Description:
Presenter: Felicia Kalker This workshop provides instructors with useful teaching
tools to increase student learning and engagement by giving students direct access to library
materials and research assistance. Workshop participants will learn about six different ways to
add library resources or services within a Canvas course. One premier feature we will show is
how to link directly to an article, ebook or video from the library. Other examples include
librarian-led online discussion board or chat, and an embedded search box for discovering new
library resources. We will provide approx. 45-50 minutes of demonstration followed by 30
minutes of optional hands-on/lab time for those who wish to get their course tools set up right
away. **Eligible for 1.50 hours flex credit**

1:30pm - 2:50pm

9am - 9:50am Team Up with Your Students to Win with Honors Projects

Where: Grossmont College, room 36-352
Calendar: 2018-2019 Professional Development Calendar
Created by: rochelle.weiser@gcccd.edu
Description:
Presenter: Sebastien Cormier Take your students to the next level by guiding
them through a project that culminates in a research presentation at an academic conference.
The Honors Program works with the Honors Transfer Council of California (HTCC), a non-profit
organization that collaborates with over fifty community colleges in California to help students
do research with their professors via honors projects. Honors students also have the opportunity
to present their research at a student conference. This workshop will teach professors: - the
process of setting up an honors contract with their students; - how to guide their students
throughout their research project; - how to help their students prepare to present their research
at the HTCC Conference; - how to take advantage of all the support materials from the HTCC.

Where: Grossmont College, room 20-105 (Digital Art Lab)
Calendar: 2018-2019 Professional Development Calendar
Created by: rochelle.weiser@gcccd.edu
Description:
Presenters: Anna Stump and Toni Renier Never painted digitally before? Afraid of
Digital Art? This interactive workshop, is your view into the world of how artists use computers
to create art that is unique and viable in today's technology driven world. Using industry
standard Wacom Monitors, explore how to use compositional tools to draw your creative ideas
and technologies that allow you to do everything you normally would when creating a work of
art such as choosing artist tools, preparing your canvas, adding depth by mixing paints, and
working within the fundamental principles of art. All you need is your creative ideas to create
beautiful works of art, PR graphics, illustrations, storyboards, books, cartoons and branding to
name a few. **Eligible for 2 hours flex credit** *** This workshop is limited to 24 participants -
please contact Anna Stump or Toni Renier to reserve a space!***

9:30am - 11:30am get DEFT: Cavas - How to use Badges

Calendar: 2018-2019 Professional Development Calendar
Created by: rochelle.weiser@gcccd.edu
Description:
Presenter: Jim Hotz How to use Badges in Canvas: "A digital badge is a validated indicator of accomplishment or skill that can be earned in many learning environments. Open digital badging makes it easy for anyone to issue, earn, and display badges across the web — through an infrastructure that uses shared and open technical technical standards. Open Badges empower people to take their learning with them, wherever they go, building a rich picture of their lifelong learning journey. Recognize and verify these skills and achievements with the global standard in digital credentials. Badges for Canvas is a free service that enables organizations to automatically issue Open Badges to learners as they complete modules in their Canvas courses. Setup takes 5 minutes for an instructor, and students can receive and manage their badges without the need to create a Badges account. **Eligible for 2 hours flex credit**
