COLLEGE

One Theme/One Campus Food Project
FREE FILM NIGHT featuring
Wasted: The Story of Food Waste
September 19, 7:00 PM at Griffin Gate

Great film - very insightful - highly recommended! Makes one re-think our approach to food in completely new and beneficial ways. Shocking to see the amount of food waste due to consumer expectations -- 99% of which are contrived and not necessary. Love seeing alternatives for using 100% of food source, whether animal or plant - everything truly can be used and obviates disposing parts of good sources of food.

Closed captioning will be provided. Questions? Contact: Brendan.Praniewicz@gcccd.edu or cheryl.campbell@gcccd.edu
