

Extra Credit Opportunity with the San Diego River Park Foundation

Go to the their website: <http://www.sandiegoriver.org/>

Choose a volunteer opportunity (for instance, see their Volunteer and Events Calendar).

What you need to do in order to gain extra credit:

Show up on time and do the volunteer work you say you will do (2-3 hours).
Write-up a one-page 'reaction' paper (TYPED PLEASE: Basically, tell me about your experience).

Email the paper to me. In the subject line of your email, it needs to say: SD River project Volunteer.

Please make sure you have your full name and section number in the body of the email.

I will take your second lowest lab quiz score or missing field trip and give you full credit for either one.

If you have any questions, please don't hesitate to ask.
