

Hi All,

The Darwinian Snail lab is scheduled for the week of APRIL 30TH. In order to be able to participate in the lab, you must purchase the software beforehand. You will NOT be allowed to participate in the lab (and you will not receive credit for the lab) if you do not purchase the software ahead of time. If you are having problems, please let me know!

Please follow the direction below:

---

It is important that you review the information below *before* you subscribe to the SimUText for **Biology (Golden)** at **Grossmont College**. **To avoid possible problems, do not wait until the last minute.**

- CHECK TO SEE IF YOUR COMPUTER CAN RUN THIS PROGRAM!  
Visit:

<https://simutext.zendesk.com/hc/en-us/categories/200170134-Check-Your-Tech->

to confirm that the SimUText application will work on your computer, and/or to explore your options if there is a problem.

- When you are ready to subscribe and download installers, follow this link to initiate the process:

<https://www.simutext.com/student/register.html#/key/UDVA-sJyR-7f55-LMas-qmNX>

AND ACCESS KEY: **UDVA-sJyR-7f55-LMas-qmNX**

- After you have completed the subscription process, if you need to download the SimUText application installers again, you will be able to access them by logging into the **SimUText Student Portal**:

<https://www.simutext.com/student/>

Save this email! Should you encounter problems, you may need your course-specific Access Key.

Access Key: **UDVA-sJyR-7f55-LMas-qmNX**
