Students must request Official certification by the Grossmont College Admissions- Evaluations Office. For additional information and clarification, review the IGETC Q & A which is available in the Counseling Center.

- 1. Obtain a new IGETC list each year as there may be additions or deletions. The course must be on the list at the time you take the course.
- 2. All courses must be completed with grades of "C" or better. "D or C- "grades are not acceptable for IGETC.
- 3. Courses can be certified in only 1 area.
- 4. IGETC does not guarantee admission.
- 5. Courses may be taken for a "P (Pass)" grade, but the CSU/UC systems have a limit on the number of units. Check the transfer institution catalog.
- 6. Foreign language is required for the UC system. See 6A. Students must request official college transcripts from other colleges or high school and/or examination center if the foreign language needs to be verified. Request that they be sent to the Grossmont College Admissions and Records Office as soon as possible.
- 7. There are limitations at UC's-high unit majors, professional schools, etc., that may restrict the use of IGETC. See list of UC limitations in the Counseling Office.
- 8. Summer school is part of the prior year. The UC system strongly recommends completion of IGETC certification by <u>spring semester</u> if transferring for a fall semester/quarter.
- 9. Make an appointment with a Counselor to discuss the IGETC pattern or visit the Grossmont College Transfer Center.

\*Indicates that transfer credit may be limited by either UC or CSU or both. Please consult with counselor for additional information or check the current catalog. Updated 5/5/2015 THosley
