Catch the Wave

A Guide to Transition from High School to College

This publication is designed to help students with disabilities transition from high school to college or work. It will guide students, parents, teachers, and administrators as they begin planning for life after high school. Checklists may be duplicated for student use or for program planning. We hope that students will be “Catching the Wave” from high school to college and/or the world of work.

Checklist for College Application and Disability Services

The disability support office is the campus office responsible to work with students in an interactive process to identify and provide reasonable academic accommodations for students with disabilities.

In order for the disability support office to determine a student's eligibility for services and to provide services, the following steps are required:

- APPLY TO THE COLLEGE:**
Go to the college website and complete the application for admission.
- COMPLETE: NEW STUDENT ORIENTATION**
For Southwestern College Only: Complete New Student Orientation Part 1
- TAKE THE COLLEGE ASSESSMENT TEST IF APPROPRIATE**
Sign up to take the college placement tests. Go to the Disability Support Services (DSS) office for disability accommodations on the college assessment tests. If your goal is not a college degree, you may request that tests be waived.
- COMPLETE: NEW STUDENT ORIENTATION PART 2 (Southwestern College)**
You must complete Part 2 of orientation to qualify for enrollment priority (**you get to register early**).
- APPLY FOR DISABILITY SUPPORT SERVICES**
You will need to provide:
 1. Current psycho-educational report and/or medical verification of disability
 2. Current IEP or 504 Plan
- APPLY FOR FINANCIAL AID**
During senior year, apply for federal financial aid (FAFSA.org) beginning in October. If you plan to attend a community college apply for the Board of Governors Fee Waiver (BOG).
- MAKE AN APPOINTMENT WITH DSS SPECIALIST**
Make an appointment to meet with a DSS Specialist to discuss services, accommodations, and plan classes.
- REGISTER FOR CLASSES**
Register online on the day/time you receive via college email. Pay for classes. If you are with Department of Rehabilitation, work with your DOR counselor for college costs.
- BUY TEXTBOOKS**
Books are expensive. Check class information for book prices. Contact your DOR counselor for the correct form and procedure for fee payments.

TRANSITION GOALS CHECKLIST

These are sample IEP or 504 Plan goals for transition from middle school to high school. They are followed by sample goals to help students and parents plan for the transition from high school to college. The time to plan is now! If the following activities are completed during middle school and high school, they will build confidence while preparing you to enter high school and then college or work.

Middle School Transition Goals Checklist:

FIND OUT ABOUT YOUR DISABILITY

- Name your disability and describe the limitations in learning it causes.
- Identify your strengths in learning; these will help you in school.
- Identify strategies to compensate for weaknesses and use your strengths in learning.
 1. Learn note-taking strategies for class and identify accommodations, e.g. use of audio recorder or copy of classmate's notes.
 2. Use memory strategies to remember information.
 3. Arrange accommodations for tests, e.g. extra time.
 4. Pair up with a classmate doing well to call for questions and study with for tests.
 5. Identify test-taking strategies for multiple choice, short answer, fill-in, and essay tests.

LEARN HOW TO ADVOCATE FOR YOURSELF

- Attend all your educational planning meetings, e.g. IEP, 504 Plan.
- Learn how to ask for accommodations and why it is important to use them.
- Ask questions when you don't understand something.

DEVELOP A PERSONAL INFORMATION FILE

- Obtain current school records including Psycho-educational Report, and/or doctor's medical report, IEP.
- Obtain a Birth Certificate.

INVESTIGATE POSSIBLE CAREERS

- Identify possible career interests and education needed.
- Identify high school classes you need to prepare for your career interests.
- Identify classes you need now to prepare for high school classes.
- Identify why current classes are important to meet your career goals.
- Complete sample college and job applications.

DEVELOP PROBLEM SOLVING STRATEGIES

- Identify possible social problems you may have in school and possible solutions.
- Identify possible educational problems in school and possible solutions.
- Name people who can help you solve these problems.

Transition Goals Checklist High School:

FRESHMAN

FIND OUT ABOUT YOUR DISABILITY (Review these each year of high school)

- Describe rights under “Section 504 and 508” and the “ADA”.
- Define disability and “functional limitations” according to Section 504, 508, and ADA.
- Obtain copies of the written verification you will need to request services and accommodations in college.
- Identify your disability, functional limitations and the accommodations you want to request.

LEARN HOW TO ADVOCATE FOR YOURSELF (By Junior year you should be able to:)

- Define what it means to “advocate for yourself” or to “self-advocate”.
- Identify your academic goals in high school and your plan to meet them.
- Identify people who can help you solve typical problems you may encounter in school.
- Define “Due Process” in school/workplace according to Section 504, 508, and the ADA.
- Attend your educational planning meetings, e.g. IEP, 504 Plan, every year.

SOPHOMORE

PREPARE FOR COLLEGE (if appropriate)

- Identify 5 colleges you are interested in attending and the majors you may want to study.
- List the entrance requirements for each college.
- Identify how your current classes now will help you in college.
- Contact the disability support office and find out what it offers.

PREPARE FOR COLLEGE ENTRANCE EXAMINATION (4-year colleges only)

- Identify what test(s) need to be taken.
- Study for the entrance exam. Enroll in PSAT or ACT preparation program if possible. Use the study guides.

PREPARE FOR JOB TRAINING (if appropriate)

- Explore educational training programs for your career goal.
- Identify skills to develop in high school for your career.

JUNIOR

TAKE THE COLLEGE ENTRANCE EXAMINATION(S)

- Apply early and request academic accommodations on application(s) for tests.
- Begin taking exams as early as possible. This gives you time to retake exams.

SELECT THE COLLEGE(S) YOU ARE INTERESTED IN ATTENDING

- Plan to visit college(s) if possible. Include disability support office in your visitation.
- Based on your investigation, pick the college(s) you feel have academic programs that match your interests and will provide you the services you need to be successful.

SENIOR Transition Goals Checklist:

APPLY TO YOUR COLLEGES

- Four-year colleges/universities: Go online and apply in fall.
- Two-year colleges: Go online and apply in spring.
- Apply for financial aid (in October)

INVESTIGATE COMMUNITY AGENCIES SERVING PERSONS WITH DISABILITIES

- Identify community agencies that provide support to persons with disabilities.
- Contact the Department of Rehabilitation to identify what services it offers.
- Contact Regional Center (if appropriate) and make an appointment with your Service Coordinator.
- Identify your local disability advocacy office. Note the services it offers.

Steps to Self-Advocacy

Self-advocacy is the ability to identify and explain your needs.

- 1st step** to self-advocacy is to say to yourself, “I am the one who is responsible for my success or failure.”
- 2nd step** is to ask, “How do I explain my disability to others? What are my abilities and how can I use them to lead me to success?” Write out your answers and practice explaining them.
- 3rd step** is to develop skills to request accommodations and services. Successful students plan ahead so they can effectively explain their needs. Write out these and practice requesting them.
- 4th step** is to recognize when you need help and to ask for it.
- 5th step** is to be organized. It relieves stress and demonstrates good planning ability. Here are some helpful hints:
 - ❖ Use a day planner to record appointments, class schedules, work schedules, exam dates, and assignment due dates.
 - ❖ Plan a reasonable school, study, social, and work schedule. Allow time for rest and recreation.
 - ❖ Establish a regular study schedule and study 2-3 hours for each hour you spend in class.
 - ❖ Organize long-term projects in a step-by-step manner. Schedule deadlines for each step in your day planner.
 - ❖ Arrive to class early with homework and assignments completed.
 - ❖ Meet with your instructor to discuss and accommodations you are requesting at the beginning of each semester.
 - ❖ Allow time for the unexpected such as traffic jams on the way to campus, illness, transportation glitches, or work schedule changes.

Now take some time to think about explaining your disability and accommodations to a professor or your counselor. What would you say? Please fill in the blanks below:

My disability causes the following problems in learning: (e.g., difficulty taking notes, finishing tests on time)

These problems mean I would like: (list the accommodations you will request)
