

Grossmont College Journalism AA-T Preparation for the Major

Journalism - B.A. DEGREE

To receive admission preference to CSU's students can complete the AA-T in Journalism. It is also important that students incorporate as much of the lower division course work found on the www.ASSIST.org articulation agreement as possible. In addition to degree requirements, students must complete CSU GE Certification or IGETC-CSU. It is important to meet with a Counselor for additional assistance.

*SDSU does not accept AA-T degrees in Journalism.
Check with a Counselor for applicability to other
CSU's.*

Students applying with the AA-T in Journalism will receive priority in the admissions process but are not guaranteed admittance into the CSU of their choice.

Admission is highly competitive for most CSU's. Students are strongly advised to go above and beyond minimum G.P.A requirements and apply for admission at multiple campuses.

These planning sheets are developed from course-to-course agreements with SDSU; they are researched and updated each year.
