

Grossmont College Psychology AA-T Preparation for the Major

Psychology - B.A. DEGREE

To receive admission preference to CSU's students can complete the AA-T in Psychology. It is also important that students incorporate as much of the lower division course work found on the www.ASSIST.org articulation agreement as possible. In addition to degree requirements, students must complete CSU GE Certification or IGETC-CSU. It is important to meet with a Counselor for additional assistance.

For additional information specific to SDSU see the following SDSU web site:

SDSU accepts AA-T degrees in Psychology (for the BA in Applied Psychology only). This specific BA degree will not have an SDSU foreign language requirement. Check with a Counselor for applicability to other CSU's. The Psychology AA-T requires a minimum 2.5 Cumulative G.P.A.

Students applying with the AA-T in Psychology will receive priority in the admissions process but are not guaranteed admittance into the CSU of their choice.

Admission is highly competitive for most CSU's. Students are strongly advised to go above and beyond minimum G.P.A requirements and apply for admission at multiple campuses.

These planning sheets are developed from course-to-course agreements with SDSU; they are researched and updated each year.
