Your 2019-2020 Free Application for Federal Student Aid (FAFSA) has been flagged for "Unusual Enrollment History" by the U. S. Department of Education because you received Federal financial aid at multiple educational institutions during the review periods of 2015-16, 2016-17, 2017-18, and/or 2018-19. This flag requires the Grossmont College Financial Aid Office to review your enrollment history, the reason(s) why you may have not completed units while receiving federal aid and to determine if you have continuing eligibility for federal student aid. Your aid history, as reported to the National Student Loan Data System (NSLDS) and Common Origination and Disbursement (COD), will be reviewed as part of this appeal process. Some students may have legitimate reasons for their enrollment at multiple institutions and lack of progress. However, such conditions require a review before your application for further financial aid may be considered.

Please complete the steps below. Your application for financial aid cannot be processed until you submit this completed form and required documentation. Failure to complete the entire form with the applicable attachments (a detailed statement explaining your extenuating circumstances and any supporting documentation) and official academic transcripts (or unofficial transcripts from a regional non-accredited institution) may result in the denial of your financial aid. You will be notified via e-mail of the decision. If you are denied you will not be eligible for federal student aid, but you will be provided with information on how you may regain eligibility for aid.

SECTION A - Schools Attended

All Official Transcripts from school where federal aid was received are "Required" and must be submitted to the Grossmont College Admissions & Records Department.

*If you need more space, please attach a separate page.

SECTION B

Please ATTACH A SIGNED, TYPED STATEMENT explaining the reason(s) for your enrollment at multiple institutions during the review period. If you did not make satisfactory academic progress while receiving Federal Pell Grant funds during that particular year, also include an explanation as to why. You MUST attach third party documentation to support your claim (i.e. medical bills, hospitalization records, accident reports, eviction notices, etc.) and include your Name, and Student ID Number at the top of each page.

SECTION C - Certification

By signing this form, I certify that all of the information reported above and included in my statement is complete and correct. (WARNING: If you purposely give false or misleading information on this form, you may be fined, sentenced to jail, or both.)
