## Five Griffins Sign “Big”

After seven straight years of conference championships with a total record of 66 wins and 4 losses, and winning 9 of 14 state playoff games, two Southern Cal as well as a state and national championships, the Grossmont College had a temporary setback in '07, having a 5-and-5 record and for the first time in many years no post season games.

The Griffs' lack of major injuries over the years finally caught up with them, with several key players lost for at least half of the season. The #1 and #2 RB, the #1 and #2 wideouts, the #1 DB, and #1 LBer were gone. One- and two-game losses to players were significant with the loss of three QBs going into the toughest game of the year.

That's the bad news. The good news is that once again the Griffin top priority of getting their players to the next level is on the track.

Grossmont, the home of Brian Sipe, Akili Smith, Joe Roth, as well as Brad Daluiso, Larry Moore, Kevin McCadam, and Todd Watkins have five moving on up with full NCAA scholarships to DI schools, and all are leaving in January. Stay tuned – there will be more going out on the completion of graduation in May.
