INTRODUCING HEAD COACH MIKE JORDAN

Coach Mike Jordan is a “true” Griffin. He was a ball boy in the 70’s when Grossmont won a state title under the leadership of All American QB, Joe Roth. In the late 80’s he quarterbacked a team that later played in the SD Bowl and was given all conference and all state honors. He accepted a scholarship to San Jose State and then upon graduation joined the Grossmont teaching and coaching staff. In 1994, he took over as offensive coordinator and over the next 16 years developed some of the best offenses in the state. Twice they were #1 rated in the entire state. At that time, eight of his QB’s, none with offers out of high school, were given scholarships to major universities, including Chad DeGrenier (Washington State), Akili Smith (Oregon) and Jordan Adams (Nebraska). He took over as Grossmont’s head coach in 2006. The winning tradition continues: 30 out of 43 games won; 3 post season games and the winning season’s extended to 13 straight years.

Grossmont College Football-Experience the Tradition!

Grossmont College football has a long tradition of success and has been a power in the state and in the nation for the past 15 years. The Griffins have not had a losing season in a decade. Since the new playoff system was installed in 2003, Grossmont has won two Southern California championships, as well as a state and national title.

Grossmont College has also played in and won more playoff games than any other community college in the state. In 2009, Grossmont won its 5th straight bowl game beating perennial powerhouse El Camino College 27-22 in the US Bank Beach Bowl.

***Sincerely,
Mike Jordan
GC Head Football Coach***

Griffin Football

The Griffs are not just winners on the field – their goal is getting players on to the next level. The Griffs are one of the best, if not the best, in the U.S. at moving players on.
