## California Community Colleges Guided Pathways Award Program

Designed to provide all California community colleges with the opportunity to implement Guided Pathways, this multi-year state award supports processes that help colleges integrate multiple initiatives and scale up effective practices to improve student success. Thanks to \$150 million in one-time funds, all 114 California community colleges are eligible to participate and receive funding.

### AACC Pathways Project

This multi-year demonstration project is intended to help colleges design and implement Guided Pathways at scale. Three California community colleges are participating.

### California Guided Pathways Project

Inspired by the AACC Pathways Project, the California Guided Pathways Project is an institute-based model that seeks to demonstrate promising and fully scaled Guided Pathways practices. Twenty California community colleges are participating.

### Early Guided Pathways Adopters

Several California Community Colleges have moved forward independently to design and implement Guided Pathways.
