

SPANISH 121: SPANISH II

Lección 10 - *La Salud*

Assignment (20 points):

In relation to Lección 10, *La Salud*, and based on your reading selection taken from our condensed class-reading of the book, *The Emperor of All Maladies, A Biography of Cancer* by Siddhartha Mukherjee, complete the following activities:

1. Select either a paragraph or chapter of the book to read. Read your selection in Spanish (and optionally in English, too).
2. Create a vocabulary list of 25 words and find the English/Spanish equivalent for each of these words.
3. Write a 2-3 paged paper in Spanish in which you summarize your selected paragraph or chapter, and share any insights and/or comments.
4. Prepare for an in-class discussion in which you will speak in class in Spanish about your findings.
