 Personal Trainer and Group Exercise Leadership Certificate Program  
 ES 291: ANATOMY AND KINESIOLOGY Fall 2008  
 Class Assignment Score Card**

NAME: \_\_\_\_\_

| Assignment            | Possible Score | Score Achieved | Notes  |
|-----------------------|----------------|----------------|--|
| Quiz 1                | 10             |                |  |
| Quiz 2                | 10             |                |  |
| Quiz 3                | 10             |                |  |
| Quiz 4                | 10             |                |  |
| Quiz 5                | 10             |                |  |
| Quiz 6                | 10             |                |  |
| Quiz 7                | 10             |                |  |
| Quiz 8                | 10             |                |  |
| Quiz 9                | 10             |                |  |
| Quiz 10               | 10             |                |  |
|                       |                |                | You may drop one quiz if you choose                                    |
| Test 1                | 50             |                |  |
| Test 2                | 50             |                |  |
| Test 3                | 50             |                |  |
| Test 4                | 50             |                |  |
|                       |                |                |  |
| Class Project         |                |                |  |
| Presentation          | 50             |                |  |
| Written Report        | 50             |                |  |
|                       |                |                |  |
| Homework              | 10             |                | Subtract 1 point for every homework assignment that you DO NOT turn in |
|                       |                |                |  |
|                       |                |                |  |
| <b>Total Possible</b> | <b>410</b>     |                |  |
|                       |                |                | Subtract 1 point for every absence or every 2 tardies                  |
|                       |                |                | Your final grade is your score / 400 x 100 = %                         |
