

# OUTSIDE AGENCY LISTING

As the Undergraduate and Prestigious Scholarships office becomes aware of outside scholarship opportunities, we will post them here. Grossmont College does not endorse or recommend any particular organization, individual, points of view, products, or services offered by these outside sites. While we screen these listings to eliminate any offers that do not appear to be legitimate, students should review all scholarship information carefully. Please see our scholarship application tips section, for information on how to search for outside scholarships. Each of these scholarship and award opportunities come with different restrictions; for additional information and application materials, please visit their website and/or contact the organization directly. International and undocumented students are welcome to apply, as long as all other requirements are met.

Name of the Scholarship/Institution or Special Program.	Deadlines Vary, they can be ongoing or specific to each semester.	Award amounts are usually set. For some rare cases the amounts can change according to how the applicants score.	Most of the scholarships are specifically created for certain majors or heritages only. Open scholarships are also available; in that case, these categories will be listed as "all" or "open".	Scholarship criteria (Requirements and Eligibility) as well as basic information are listed here. This portion is a glimpse of every scholarship's possibilities and what is offered. However, most of the details will be listed on their very own website.
